Explanatory Note

This note is not part of the Notification but is intended to indicate the general purport.

Government have received information through press reports as also from the Director of Archaeology and the District Collector, Ernakulam that some art objects of antique value are proposed to be auctioned from the erstwhile Cochin Royal Palace at Tripunithura. The Director of Archaeology and the District Collector, Ernakulam have jointly inspected the articles in detail and have listed out 50 objects (specified in the schedule to the notification) which have antique as well as art and craft value and which have to be preserved. The question of preserving these art objects of antique value under the Kerala Ancient Monuments and Archaeological site and Remains Act 1968, is under consideration of Government. It is therefore found necessary that these objects are excluded from the list of objects proposed to be auctioned.

This notification is intended to achieve the above object.
